

HACC Referral form:

Do you know someone who needs help accessing healthcare services? Send us this referral form to get them connected to the right resources.

When patients enroll in HACC they get:

- ❖ Home visits from a nurse practitioner for those with acute medical needs and those without an established primary care provider.
- ❖ Access to DASH services: rapid-response medical visits at home, Monday through Saturday, physicians available by phone on Sunday. In home health screening and medication reconciliation.
- ❖ Transportation to-and-from medical appointments, as well as patient advocacy during medical appointments.
- ❖ Case management services.
- ❖ Assistance applying for Medi-Cal, Covered California, Cal-Fresh, EasyLift.
- ❖ Access to free health and wellness activities, such as Yoga, walks with a doctor or nurse, preventative screenings (diabetes, skin cancer, etc.)

HACC is available for low-income adults ages 19-65 living in Santa Barbara, Goleta, Isla Vista and Carpinteria. Home visits from the nurse practitioner will be billed to Medi-Cal or other insurance, or patients can be seen on a sliding scale. All other services are FREE for low-income individuals.

Simply fax this form to (805) 564-7041 and the HACC team will do the rest.

Patient's name _____
