

# New Beginnings Moving Forward

## NAMING OPPORTUNITIES

### Join Us!

Your gift today helps ensure we move forward to more efficiently welcome and serve our most vulnerable community members with their most pressing problems.

### How can you be a part of New Beginnings' vision for the new center?

A limited number of naming opportunities are available in the new collaborative center to honor your family, a community member or a veteran you know and love. The name of your choice will be beautifully displayed on the room as a special and enduring way to support New Beginnings future.
