

# HACC Intake form:

Do you or someone you know need help accessing healthcare services? Send us this referral form to get connected to the right resources.

## When patients enroll in HACC they can get:

- Home visits from a nurse practitioner for those with immediate medical needs and those without an established doctor.
- Access to DASH services: rapid-response medical visits at home, Monday through Saturday, physicians available by phone on Sunday.
- Transportation to-and-from medical appointments.
- Case management services.
- Assistance applying for Medi-Cal, Covered California, Cal-Fresh, EasyLift.
- Access to free health and wellness activities, such as Yoga, walks with a doctor or nurse, preventative screenings (diabetes, skin cancer, etc.)

***Simply drop it off at 808 Laguna Street. The HACC team will do the rest. You can also call us at 805-708-1969 to complete the form over the phone.***
